- *The Budget Program smoothes out peaks and valleys in your gas bill.*
- *There are no finance charges if you are current with your Budget payments.*
- *Equal monthly payments starting in June and a settle-up payment in May.*
- *Federated will adjust your monthly payment as needed, based on your usage, avoiding a large settle-up bill at the end of the season.*
- *Budget payments include purchases for propane only.*
- *If two Budget payments are missed, your account will be taken off the Budget Program and your balance will be due in full. Standard finance charges will apply.*
- *The Budget Program requires you to have 3 Budget payments in your account before any propane deliveries can be made.*

Thank you for your business
